* Important Footnotes:

Characteristics shown are for an account or composite representative of WCM's intermediate fixed income strategy as of December 31, 2011.

These holdings are for informational purposes only and do not constitute a recommendation to buy, hold, or sell securities.

Actual holdings, sector weightings, percentage allocations, and portfolio characteristics in individual client portfolios may vary and are subject to change.

A client's account may not hold all or any of the top five holdings, and it should not be assumed that any of the securities listed were or will be profitable.

Data sources used to calculate characteristics include but are not limited to YieldBook, Bloomberg, and FTID. We believe this information to be reliable, but no assurances can be given that it is accurate or complete.
